

## CURRICULUM VITAE

### LISA NAGAOKA

Geography, P. O. Box 305279  
University of North Texas  
Denton, Texas 76203-5279  
(940) 565-2510; (940) 369-7550 FAX  
e-mail: lnagaoka@unt.edu  
<http://www.geog.unt.edu/~lnagaoka>

#### EDUCATION

- 2000 *Ph.D. in Anthropology*, University of Washington  
1992 *M.A. in Anthropology*, University of Washington  
1985 *B.A. in Anthropology*, University of Hawaii, Manoa

**RESEARCH INTERESTS:** Zooarchaeology, Evolutionary Ecology, Human Impacts on the Environment, Oceanic Prehistory, Biological Conservation

#### GRANTS

##### FEDERAL

- 2009 *National Science Foundation*, Archaeology competition, "Hunter-Gatherer Subsistence Change and Pottery Development in South Texas", (submitted, \$294,148, 2 years. PIs: L. Nagaoka, L. Hood, S. Wolverton, C. R. Ferring, B. Venables).
- 2008 *National Science Foundation*, Archaeology competition, "Hunter-Gatherer Subsistence Change and Pottery Development in South Texas", (not funded; \$275,853, 2 years. PIs: L. Nagaoka, L. Hood, S. Wolverton, C. R. Ferring, B. Venables).
- 2007 *National Science Foundation*, Human and Social Dynamics – Agents of Change competition, Agent Modelling of Values-Driven Land Use Change Affecting Water Provisioning, , (not funded; \$748,329 for 3 years. PI: M. Monticino, M. Acevedo, J. B. Callicott, I. Klaver, L. Nagaoka).
- 2006 *National Science Foundation*, Archaeology program, Archaeometry competition, Extraction and Characterization of Protein Residues from Archaeological Pottery", (not funded, \$93,677 for 1 year. PI: S. Wolverton; Co-PIs: B. Venables, G. Verbeck, L. Nagaoka).
- 2005 *National Science Foundation*, Research Experience for Undergraduates (REU) Supplement. (awarded; \$4100 for travel and research expenses for an undergraduate student to conduct research in New Zealand on taphonomy of seal remains)
- 2004 *National Science Foundation*, "Moa extinction and subsistence change in northern New Zealand". (awarded; \$75,853, 3 years, travel & research; 26% funding rate for NSF Archaeology Program grants in 2004)
- 2002 *National Science Foundation*, "Resource depression and subsistence change in northern New Zealand". (not funded: \$92,488, 3 years, travel & research,)

##### PRIVATE FOUNDATIONS

- 2004 *American Philosophical Society*, "The effects of moa extinction on subsistence in northern New Zealand". (awarded: \$5000, travel & research; funding rate for 2004 was 21%)
- 2002 *L.S.B. Leakey Foundation General Grant*, "Resource depression and moa extinction in northern New Zealand". (denied; travel & research)
- 1997 *L.S.B. Leakey Foundation General Grant* (\$6400)
- 1989 *Sigma Xi Grant-in-Aid of Research* (\$450)

UNIVERSITY OF NORTH TEXAS

- 2005 *Research Opportunities Grant*, “The effects of changing foraging patterns on the adoption of ceramics in prehistoric coastal south Texas”. (awarded; \$5000; research)
- 2004 *Research Initiation Grant*, “Breaking down barriers: The effects of the Transitions Conference on reentry women students”. (co-PI with Michelle Walker, College of Education; rejected; \$5000, research)
- 2002 *Research Initiation Grant*, “Resource depletion and agricultural intensification in the North Island, New Zealand”. (awarded; \$4500, travel & research)

UNIVERSITY OF WASHINGTON

- 1998 *Meetings Travel Fund*, Department of Anthropology (\$400)
- 1996 *Scholarly Exchange Fund*, College of Arts & Sciences (\$5993)
- 1994 *Research Travel Fund*, Department of Anthropology (\$500)

**FELLOWSHIPS & HONORS**

- 2009 National Fulbright Review Committee Panel Member, New Zealand competition
- 2005 *Shelton Excellence in Teaching Award* Nominee, University of North Texas
- 2003-present *Honorary Research Fellow*, Department of Anthropology, University of Auckland
- 2002 *Fessor Graham and Honors Professor awards* Nominee, University of North Texas
- 2002 *Faculty Summer Research Fellowship*, “Resource Depletion and Subsistence Change in Northern New Zealand”, University of North Texas
- 2000 *Faculty Summer Research Fellowship*, “Resource Depletion, Agricultural Intensification, and Subsistence Change in the North Island, New Zealand”, University of North Texas
- 1998 *Student Poster Award*, Society for American Archaeology  
*Huckabay Teaching Fellowship*, The Graduate School, University of Washington  
*Dissertation Fellowship*, The Graduate School, University of Washington
- 1997 *Fulbright Scholarship*, Dissertation research at the University of Otago, Dunedin, New Zealand

**REFEREED JOURNAL ARTICLES & BOOK CHAPTERS**

Nagaoka, L.

- in prep Differential carnivore damage by domesticated dogs in New Zealand: A potential indicator of resource availability and foraging efficiency. To be submitted to the *Journal of Archaeological Science*

Nagaoka, L., S. Wolverton, and I. Smith.

- in prep Determining prehistoric New Zealand fur seal demographics using morphometric measures. To be submitted to the *New Zealand Journal of Ecology*.

Nagaoka, L., A. Wolverton and M. Wolverton.

- in prep *Women in Science*. Pathways to Leadership Series. Book to be published by Stylus Press.

Wolverton, S., L. Nagaoka, B. Fullerton, and J. Densmore

- in press Mid- to Late Holocene foragers at Eagle's Ridge (41CH 252) SE Texas. *Before Farming* 2008(2).

Nagaoka, L.

- in press Foraging Efficiency and Moa Carcass Exploitation in Southern New Zealand", *Evolutionary Ecology and Archaeology: Applications to Problems in Human Evolution and Prehistory*, edited by J. Broughton and M. Cannon, pp. . University of Utah, Salt Lake City.

Nagaoka, L. and M. S. Allen

- 2009 Antipodean perspectives on zooarchaeology: Behavioral ecology, taphonomy, and applied research. *Journal of Island and Coastal Archaeology* 4(2): 164-176.

Nagaoka, L., S. Wolverton, and B. Fullerton

- 2008 Taphonomy of Twilight Beach seals. In, *Islands of Inquiry: Colonisation, Seafaring and the Archaeology of Maritime Landscapes*, edited by G. Clark, B. F. Leach and S. Bulmer, pp. 475-498. *Terra Australis* 79. (result of REU research)
- Nagaoka, L.  
 2006 Declining foraging efficiency and seal carcass exploitation in southern New Zealand. *Journal of Archaeological Science* 33: 1474-1481.  
 2005 Declining foraging efficiency and moa carcass exploitation in southern New Zealand. *Journal of Archaeological Science* 32:1328-1338.  
 2005 Screening experiments and differential recovery of Pacific Island fish. *Journal of Archaeological Science* 32: 941-955.
- Allen, M. S. and L. Nagaoka  
 2004 "In the footsteps of von Haast...the discoveries something grand": The emergence of zooarchaeology in New Zealand. In, *Change Through Time, 50 Years of New Zealand Archaeology*, edited by L. Furey and S. Holdaway, pp. 193-214. New Zealand Archaeological Association (NZAA) Monograph 26. NZAA, Auckland.
- Nagaoka, L.  
 2002 The effects of resource depression on foraging efficiency, diet breadth, and patch use in southern New Zealand. *Journal of Anthropological Archaeology* 21(4): 419-442.  
 2002 Explaining subsistence change in southern New Zealand using foraging theory models. *World Archaeology* 34(1): 84-102.  
 2001 Using diversity measures to understand changes in prey exploitation in southern New Zealand. *International Journal of Osteoarchaeology* 11(1-2): 101-111.  
 1994 Differential recovery of Pacific Island fish remains: Evidence from the Moturakau Rockshelter, Aitutaki, Cook Islands. *Asian Perspectives* 34:1-17.
- Kirch, P.V., T.L. Hunt, J. Tyler and L. Nagaoka  
 1990 An Ancestral Polynesian occupation at To'aga, Ofu Island, American Samoa. *Archaeology in Oceania* 25:1-15.

### NON-REFEREED ARTICLES & BOOK CHAPTERS

- 2006 Ranking the top archaeological journals. *SAA Archaeological Record* 6(2): 32-37.  
 1993 Faunal assemblages from the To'aga site. In, *The To'aga Site: Three Millennia of Polynesian Occupation in the Manu'a Islands, American Samoa*, edited by Patrick V. Kirch and Terry L. Hunt, pp. 189-216. Contributions of the University of California Archaeological Research Facility No. 51. Archaeological Research Facility, Berkeley.  
 1988 Lapita subsistence: The evidence of non-fish archaeofaunal remains. In, *Archaeology of the Lapita Cultural Complex: A Critical Review*, edited by Patrick V. Kirch and Terry L. Hunt, pp. 117-133. Thomas Burke Washington State Memorial Museum Research Report No. 5., Burke Museum, Seattle.

### BOOK REVIEWS

- 2002 Review of *The Archaeologist's Laboratory: The Analysis of Archaeological Data*. *Geoarchaeology* 17(8): 875-876.  
 2001 Review of *Waihou Journeys: The Archaeology of 400 Years of Maori Settlement* by Caroline Phillips. *American Antiquity* 66:756-757.

### CONFERENCE PRESENTATIONS

- 2009 L. Nagaoka, B. Fullerton, S. Wolverton. and J. Densmore. Subsistence context for pottery development in southeast Texas. Poster presented at the Society for American Archaeology Meetings, Atlanta, GA.

- 2008 L. Nagaoka Differential carnivore damage by domesticated dogs in New Zealand: A potential indicator of resource availability and foraging efficiency. Poster presented in the general symposium, Archaeological Research in Asia and Oceania. Society for American Archaeology Meetings, Vancouver, BC.
- S. Wolverton, L. Nagaoka, B. Fullerton, and J. Densmore. "Mid- to Late Holocene foragers at Eagle's Ridge (41CH252) SE Texas". Paper presented in the invited symposium, " Middle Holocene Adaptations". Society for American Archaeology Meetings, Vancouver, BC.
- 2007 L. Nagaoka. "Zooarchaeological Research in New Zealand: Studying the Effects of Anthropogenic Environmental Change". Paper presented in the invited symposium, Island Archaeology: Synergy and Synthesis. Society for American Archaeology Meetings, Austin, TX.
- 2007 B. Fullerton, L. Nagaoka, S. Wolverton. "White-tailed deer carcass exploitation across the pre-pottery/pottery transition at Eagle's Ridge". Poster presented at the Society for American Archaeology Meetings, Austin, TX.
- 2007 J. Densmore, L. Nagaoka, and S. Wolverton. "Evaluating Measures of Bone Fragmentation". Poster presented at the Society for American Archaeology Meetings, Austin, TX.
- 2007 S. Hughes, L. Nagaoka, and A. Linse. "Gender Differences in Time-to-Completion at a Research I University". Paper presented in the invited symposium, Perspectives on the Graduate School Experience sponsored by the SAA Women in Archaeology Interest Group. Society for American Archaeology Meetings, Austin, TX.
- 2007 B. Fullerton, L. Nagaoka, S. Wolverton. "White-tailed deer (*Odocoileus virginianus*) marrow and grease exploitation among mobile, pottery-using foragers in southeast Texas". Poster presented at the Society for Ethnobiology Meetings, Berkeley, CA.
- 2006 L. Nagaoka and Steve Wolverton. Conservation implications of New Zealand fur seal pup remains (with Steve Wolverton). Poster presented in the general session, Archaeology's Contribution to the Present and the Future. Society for American Archaeology Meetings, San Juan, Puerto Rico.
- 2006 B. Fullerton, L. Nagaoka, S. Wolverton. Taphonomic Analysis of the Twilight Beach Seals: North Island, New Zealand. Poster presented in the general session, Zooarchaeology. Society for American Archaeology Meetings, San Juan, Puerto Rico.
- 2005 Seal butchery and element fragmentation patterns at the Shag Mouth Site, New Zealand. Poster presented at the Society for American Archaeology Meetings, Salt Lake City, UT.
- 2004 Carnivore attrition of Pacific Island fish remains. Poster presented at the Society for American Archaeology Meetings, Montreal, Canada.
- 2004 Michelle Walker and L. Nagaoka. Transitions Conference to Prepare Women with LD for Post-Secondary Education. Invited paper presented in the session, "Best Practices in Making Transitions: Early Childhood to Adulthood", Council for Learning Disabilities Conference, Las Vegas, NV.
- 2003 Differential recovery of Pacific Island fish. Poster presented at the Society for American Archaeology Meetings, Milwaukee, WI.
- 2002 Teaching archaeology: The antiquities market. Poster presented, Society for American Archaeology Meetings, Denver, CO.
- 2001 Changes in prey utilization at the Shag River Mouth site, Southern New Zealand. Poster presented at the Society for American Archaeology Meetings, New Orleans, LA.
- Moa extinction and the overkill hypothesis. Poster presented at the Southwest and Rocky Mountain Division of the American Association for the Advancement of Science, Denton, TX.
- 2000 Teaching archaeology: Kennewick Man case study. Poster presented in the general poster symposium, "Method and Theory", Society for American Archaeology Meetings, Philadelphia, PA.

- 1999 Changing prey and patch use in southern New Zealand. Paper presented in the symposium 'Contributions of Foraging Theory to Archaeology', Society for American Archaeology Meetings, Chicago, Illinois.
- 1998 Resource depletion, extinction, and subsistence change in southern New Zealand. Poster presented in the general poster symposium, "Method and Theory", Society for American Archaeology Meetings, Seattle, WA. (SAA Student Poster Award)  
Changing subsistence diversity in southern New Zealand. Paper presented in the symposium, "Patterns of Faunal Exploitation in Pacific Prehistory: Observation to Explanation", International Council for Archaeozoology (ICAZ) Meetings, Victoria, B.C.
- 1997 The dynamic relationship between resource depletion and subsistence change in Otago, New Zealand. Paper presented at the 4th New Zealand Post-graduate Conference, University of Otago, Dunedin, New Zealand.
- 1992 Screen size effects on fish remains from Moturakau Rockshelter, Aitutaki, southern Cook Islands. Paper presented in the symposium 'Subsistence and Environmental Change in Oceania', Society for American Archaeology Meetings, Pittsburgh, PA.

### INVITED TALKS

- 2007 L. Nagaoka. "Applied Zooarchaeology: Using Paleozoological Data in the Service of Conservation Efforts." Invited talk, Department of Anthropology, University of Otago, Dunedin, New Zealand.  
L. Nagaoka. "Extinction and Subsistence Change in New Zealand". Dallas Archaeological Society, Dallas, TX.
- 2005 Conservation biology in New Zealand. Environmental Science seminar, Department of Biology, University of North Texas
- 2004 Prehistoric human predation in New Zealand: The impact of humans on moas and other vertebrates. Department of Philosophy, Sociology and Anthropology, Northern Kentucky University.
- 2002 Butchery and transport patterns in southern New Zealand. Department of Anthropology, University of Auckland, New Zealand.
- 2001 Issues for women in archaeology. American Association of University Women (AAUW), Denton Branch, Denton, TX.
- 1998 Panelist in an open forum entitled, "Issues in Recovery, Identification, Quantification, and Interpretation of Vertebrate Faunal Remains". International Council for Archaeozoology (ICAZ) Meetings, Victoria, British Columbia, Canada
- 1997 Faunal analysis and subsistence research in southern New Zealand. Department of Anthropology Seminar Series, University of Otago, Dunedin, New Zealand.  
The loss of native fauna and their effect on prehistoric Maori diet. Department of Anthropology Seminar Series, University of Auckland, Auckland, New Zealand.

### SYMPOSIA ORGANIZED

- 1992 Subsistence and Environmental Change in Oceania (co-chair w/ E.A. Gordon). Society for American Archaeology Meetings, Pittsburgh, PA.

### COURSES TAUGHT

- Archaeology 2500: Introduction to Archaeology  
Archaeology 3650: Origins of Civilization  
Archaeology 4620: Ethnoarchaeology  
Archaeology 4620: Zooarchaeology  
Archaeology 4620: Pacific Islands Archaeology  
Archaeology 4620: New World Archaeology  
Archaeology 4620: Ethics in Archaeology

**STUDENT ADVISING**

Amy Hoffman, Geography, MA, Chair  
 Brittney Gregory, Geography, MA, Committee Member  
 Andrew Barker, Geography, MA, Committee Member  
 Susan Waskey, Geography, MA, Committee Member  
 Ben Fullerton, Geography, MA, Chair (graduated Summer 2009)  
 Julie Densmore, Geography, MA, Committee Member (graduated Summer 2009)  
 Mickey Miller, Geography, MA, Committee Member (graduated Fall 2008)  
 Ransley Welch, Geography, MA, Committee Member (graduated Fall 2008)  
 Johnny Byers, Geography, MA, Committee Member (graduated Fall 2007)  
 Katherine Polley, McNair scholar, Mentor (graduated Fall 2007)  
 Julie Densmore, McNair scholar, Co-mentor (graduated Spring 2005)  
 Ben Fullerton, Geography, REU scholar (graduated Fall 2005)  
 Ben Witt, Geography, MA, Committee member (graduated)  
 Marikka Williams, Geography, MA, Co-chair (graduated)

**OTHER TEACHING-RELATED EXPERIENCE**

2005 *Co-instructor*, Archaeological method and theory seminar; voluntarily taught a readings seminar for several undergraduate and graduate students, Department of Geography, UNT

2004 *Presenter*, Panel on graduate school preparation, Anthropology Students Association, UNT.  
*Invited lecturer*, Peoples of Oceania class, Department of Philosophy, Sociology, and Anthropology, Northern Kentucky University.  
*Invited lecturer*, Zooarchaeology class, Department of Philosophy, Sociology, and Anthropology, Northern Kentucky University.

2003 *Presenter*, Panel on graduate school preparation, Anthropology Students Association, UNT.

2001 *Facilitator* in workshop, "Helping Faculty Design Archaeology Courses". Society for American Archaeology Meetings, New Orleans, LA.

2000 *Facilitator* in workshop, "Preparing Future Archaeology Faculty: the TA-to-Instructor Transition", Society for American Archaeology Meetings, Philadelphia, PA.

1999 *Nominee* for the Distinguished Teaching Award, University of Washington  
*Participant* in Graduate School 620 course: Teaching Mentorship Seminar

1998-99 *Huckabay Fellow*, developed a comprehensive teaching assistant training program for Anthropology, University of Washington

1998 *Panelist* in forum of Experienced TAs, Campus-Wide New TA Orientation, The Graduate School, University of Washington  
*Facilitator* on Panel of Experienced TAs, Department of Anthropology, TA Orientation, University of Washington  
*Participant* in Graduate School 630 course: Becoming Effective College/University Teachers

1993-94 *Research Assistant*, developed the archaeology component of teaching modules for introductory anthropology courses

**ACADEMIC SERVICE**UNIVERSITY

2009 *Senator*, Group IV, Faculty Senate  
*Member*, Faculty Senate Committee on Committees  
*Member*, Sustainability Council  
*Member*, Environmental Anthropologist Search Committee, Department of Anthropology, PACS

2009 *Senator*, Group IV, Faculty Senate  
*Member*, Faculty Senate Committee on Committees

- 2008 *Member*, Sustainability Council  
*Senator*, Group IV, Faculty Senate  
*Member*, Faculty Senate Committee on Committees  
*Member*, Faculty Senate Charter and Bylaws Committee  
*Member*, Sustainability Council  
*Chair*, Greenhouse Gas Inventory Subcommittee, Sustainability Council
- 2007 *Senator*, Group IV, Faculty Senate  
*Member*, Faculty Senate Committee on Committees  
*Member*, Faculty Senate Charter and Bylaws Committee  
*Member*, Ad hoc mediation committee
- 2006 *Senator*, Group IV, Faculty Senate
- 2005 *Senator*, Group IV, Faculty Senate
- 2002 *UNT Faculty Liaison*, American Association of University Women, Denton Branch
- 2001 *UNT Faculty Liaison*, American Association of University Women, Denton Branch

COLLEGE

- 2010 *Member*, Wetland Plant Biologist Search Committee, Environmental Science, Biology
- 2009 *Organizer*, Teaching Workshops & Orientation Workshop, College of Arts & Sciences New Faculty Mentoring Program
- 2008 *Organizer*, Teaching Workshops & Orientation Workshop, College of Arts & Sciences New Faculty Mentoring Program  
*Member*, Population Geneticist Search Committee, Environmental Science, Biology  
*Mentor*, Assistant Professor in Communications
- 2007 New Faculty Mentoring Program  
*Member*, Population Geneticist Search Committee, Environmental Science, Biology  
*Mentor*, Assistant Professor in Communications
- 2006 New faculty mentoring program orientation
- 2005 Report and presentation on the effectiveness of the College's new faculty mentoring program
- 2005 New faculty mentoring program orientation
- 2004 Study on the effectiveness of the College's new faculty mentoring program; compiled survey data on mentors and mentees; interviewed sample of mentees

DEPARTMENT

- 2009 *Mentor*, Geography Junior Faculty  
*Member*, PAC Points Committee  
*Chair*, SACS Graduate Assessment  
*Chair*, SACS Undergraduate Assessment  
*Chair*, Core Curriculum Assessment
- 2008 *Chair*, GIS Search Committee  
*Member*, PAC Points Committee  
*Member*, SACS Review - Graduate Committee  
*Archaeology Representative*, Science Core Curriculum Assessment  
*Lab coordinator*, Archaeological Science (ARCH 2800)
- 2007 *Chair*, GIS Curriculum Development Committee  
*Chair*, GIS Search Committee  
*Member*, PAC Points Committee  
*Archaeology Representative*, Science Core Curriculum Assessment  
*Lab coordinator*, Archaeological Science (ARCH 2800)
- 2006 *Archaeology Representative*, Science Core Curriculum Assessment  
*Lab coordinator*, Archaeological Science (ARCH 2800)
- 2005 *Archaeology Representative*, Science Core Curriculum Assessment  
*Lab coordinator*, Archaeological Science (ARCH 2800)

- 2004 *Archaeology Representative*, Science Core Curriculum Assessment  
*Lab coordinator*, Archaeological Science (ARCH 2800)
- 2003 *Faculty Advisor*, Archaeology Club  
*Lab coordinator*, Archaeological Science (ARCH 2800)
- 2002 *Archaeology Representative*, Science Core Curriculum Assessment  
*Lab coordinator*, Archaeological Science (ARCH 2800)  
*Faculty Advisor*, Archaeology Club  
*Coordinator*, Departmental web page development
- 2001 *Archaeology Representative*, Science Core Curriculum Assessment  
*Lab coordinator*, Archaeological Science (ARCH 2800)  
*Faculty Advisor*, Archaeology Club, University of North Texas
- 1998-99 *Student representative*, College Council, College of Arts and Sciences, University of Washington
- 1995 *Student representative*, Archaeology Faculty Search Committee, Department of Anthropology, University of Washington
- 1989 *Student representative*, Departmental Review, Department of Anthropology, University of Washington

### **PUBLIC OUTREACH AND COMMUNITY SERVICE**

- 2009 *Webmaster*, Expanding Your Horizons conference web site  
*Workshop Organizer*, "Archaeology: Puzzles of the Past", Expanding Your Horizons: Careers in Science for Girls Conference, TWU, Denton, Texas; organized one-hour activities on archaeology as a science.
- 2008 *Webmaster*, Expanding Your Horizons conference web site  
*Webmaster*, American Association of University Women (AAUW)-Denton web site  
*Workshop Organizer*, "Archaeology: Puzzles of the Past", Expanding Your Horizons: Careers in Science for Girls Conference, TWU, Denton, Texas; organized one-hour activities on archaeology as a science.
- 2007 *Webmaster*, Expanding Your Horizons conference web site  
*Communications Officer*, American Association of University Women (AAUW)-Denton.
- 2006 *Communications Officer*, American Association of University Women (AAUW) - Denton Branch; responsibilities include web site development, editing yearbook and newsletter, design of newspaper ads.  
*Workshop Organizer*, "Archaeology: Puzzles of the Past", Expanding Your Horizons: Careers in Science for Girls Conference, TWU, Denton, Texas; organized one-hour activities on archaeology as a science.
- 2005 *Communications Officer*, American Association of University Women (AAUW) - Denton Branch; responsibilities include web site development, editing yearbook and newsletter, design of newspaper ads.
- 2004 *Editor*, AAUW, Denton Branch newsletter  
*Workshop Organizer*, "Archaeology: Puzzles of the Past", Expanding Your Horizons: Careers in Science for Girls Conference, TWU, Denton, Texas; organized one-hour activities on archaeology as a science, involved female undergraduate students as facilitators.  
*Webmaster*, Expanding Your Horizons conference web site.  
*TAMS Mentor*, Bringing Girls Up In Science (BUGS), UNT.
- 2003 *Organizing Committee*, American Association of University Women (AAUW), Denton Branch, Transitions Conference (for women returning to college)  
*Editor*, AAUW, Denton Branch newsletter
- 2002 *Organizing Committee*, AAUW Transitions Conference; conference was developed to provide information for non-traditional women who were interested in attending or returning to college; responsibilities included developing conference program, flyers, advertisements.
- 2001 *Judge*, Denton Independent School District Elementary School Science Fair

- Workshop Organizer*, "Archaeology: Puzzles of the Past", Expanding Your Horizons: Careers in Science for Girls Conference, TWU, Denton, Texas; organized one-hour activities on archaeology as a science, involved female undergraduate students as moderators.
- Guest Speaker*, 5<sup>th</sup> Grade gifted children, Forest Vista Elementary School, Flower Mound, Texas
- 1999 *Workshop Organizer*, "Archaeology: Puzzles of the Past", Expanding Your Horizons: Careers in Science for Girls Conference, TWU, Denton, Texas; organized one-hour activities on archaeology as a science, involved female undergraduate students as moderators.
- 1999 *Volunteer*, Artifact Identification Day, Burke Museum, Seattle, Washington
- 1998 *Advising Scientist*, Dragonfly Project, National Science Teachers Association
- Volunteer*, Career Day Mentor, Redmond High School, Washington
- Volunteer*, Artifact Identification Day, Burke Museum, Seattle, Washington
- Co-Organizer*, Archaeology Day, Assumption St. Brigitte School 2nd Grade, Seattle, Washington
- 1996 *Volunteer*, Burton Acres Shell Midden, Vashon Island Public Archaeology Project, Burke Museum, Seattle, Washington
- Volunteer*, Artifact Identification Day, Burke Museum, Seattle, Washington
