Education

- 2000 *Ph.D. in Anthropology*, University of Washington
Dissertation topic: Resource Depletion, Extinction, and Subsistence Change in Southern New Zealand
- 1992 *M.A. in Anthropology*, University of Washington
- 1985 *B.A. in Anthropology*, University of Hawaii, Manoa

Research Interests: Zooarchaeology, Evolutionary Ecology, Oceanic Prehistory

Grants

- 1998 *Meetings Travel Fund*, Department of Anthropology, University of Washington (\$400)
Travel to the 1999 Society for American Archaeology Meetings, Chicago
- 1997 *L.S.B. Leakey Foundation General Grant* (\$6400)
Moa Extinction and Subsistence Change in Southern New Zealand
- 1996 *Scholarly Exchange Fund*, College of Arts & Sciences, University of Washington, (\$5993)
Dissertation research at the University of Otago, Dunedin, New Zealand
- 1994 *Research Travel Fund*, Department of Anthropology, University of Washington (\$500)
Preliminary dissertation research in New Zealand
- 1989 *Sigma Xi Grant-in-Aid of Research* (\$450)
The creation of an osteological reference collection for the identification of archaeological fish remains from the Pacific

Scholarships, Fellowships, and Honors

- 1998 *Student Poster Award*, Society for American Archaeology, for the poster entitled, "Resource Depletion, Extinction, and Subsistence Change in Southern New Zealand".
- Huckabay Teaching Fellowship*, The Graduate School, University of Washington
Development of a comprehensive teaching assistant training program for Anthropology
- Dissertation Fellowship*, The Graduate School, University of Washington
Support during the dissertation writing phase
- 1997 *Fulbright Scholarship*
Dissertation research at the University of Otago, Dunedin, New Zealand

Edited Book Chapters and Refereed Journal Articles

- in prep Prey choice and subsistence change in southern New Zealand. To be submitted to *Antiquity*.

- 2000 Using diversity measures to understand changes in prey exploitation in southern New Zealand. Accepted September 1999 in the *International Journal of Osteoarchaeology*.
- 1994 Differential recovery of Pacific Island fish remains: Evidence from the Moturakau Rockshelter, Aitutaki, Cook Islands. *Asian Perspectives* 34:1-17.
- 1993 Faunal assemblages from the To'aga site. In, *The To'aga Site: Three Millennia of Polynesian Occupation in the Manu'a Islands, American Samoa*, edited by Patrick V. Kirch and Terry L. Hunt, pp. 189-216. Contributions of the University of California Archaeological Research Facility No. 51. Archaeological Research Facility, Berkeley.
- 1990 An Ancestral Polynesian occupation at To'aga, Ofu Island, American Samoa. *Archaeology in Oceania* 25:1-15 (junior author with P.V. Kirch, T.L. Hunt and J. Tyler).
- 1988 Lapita subsistence: The evidence of non-fish archaeofaunal remains. In, *Archaeology of the Lapita Cultural Complex: A Critical Review*, edited by Patrick V. Kirch and Terry L. Hunt, pp. 117-133. Thomas Burke Washington State Memorial Museum Research Report No. 5., Burke Museum, Seattle.

Conference Papers

- 2000 Teaching archaeology: Kennewick Man case study. Poster presented in the general poster symposium, "Method and Theory", Society for American Archaeology Meetings, Philadelphia, PA.
- 1999 Changing prey and patch use in southern New Zealand. Paper presented in the symposium 'Contributions of Foraging Theory to Archaeology', Society for American Archaeology Meetings, Chicago, Illinois.
- 1998 Resource depletion, extinction, and subsistence change in southern New Zealand. Poster presented in the general poster symposium, "Method and Theory", Society for American Archaeology Meetings, Seattle, WA. (SAA Student Poster Award)
- Changing subsistence diversity in southern New Zealand. Paper presented in the symposium, "Patterns of Faunal Exploitation in Pacific Prehistory: Observation to Explanation", International Council for Archaeozoology (ICAZ) Meetings, Victoria, B.C.
- 1997 The dynamic relationship between resource depletion and subsistence change in Otago, New Zealand. Paper presented at the 4th New Zealand Post-graduate Conference, University of Otago, Dunedin, New Zealand.
- 1992 Screen size effects on fish remains from Moturakau Rockshelter, Aitutaki, southern Cook Islands. Paper presented in the symposium 'Subsistence and Environmental Change in Oceania', Society for American Archaeology Meetings, Pittsburgh, PA.

Invited Talks and Forums

- 1998 Panelist in an open forum entitled, "Issues in Recovery, Identification, Quantification, and Interpretation of Vertebrate Faunal Remains". International Council for Archaeozoology (ICAZ) Meetings, Victoria, B.C.
- 1997 Faunal analysis and subsistence research in southern New Zealand. Department of Anthropology Seminar Series, University of Otago, Dunedin, New Zealand.

The loss of native fauna and their effect on prehistoric Maori diet. Department of Anthropology Seminar Series, University of Auckland, Auckland, New Zealand.

Symposia Organized

- 1992 Subsistence and Environmental Change in Oceania (co-chair w/ E.A. Gordon). Society for American Archaeology Meetings, Pittsburgh, PA.

Teaching Experience

University of North Texas

- 2000 *Lecturer*, Archaeology 2500: Introductions to Archaeology
Lecturer, Archaeology 4620: New World Archaeology
1999 *Lecturer*, Archaeology 2500: Introduction to Archaeology
Lecturer, Archaeology 3650: Origins of Civilization

University of Washington

- 1999 *Instructor*, Archaeology 205: Introduction to Archaeology
1996 *Instructor*, Archaeology 205: Introduction to Archaeology
1995 *Co-instructor*, Anthropology 399: Junior Honors Seminar
1994 *Teaching Assistant*, Archaeology 205: Introduction to Archaeology
1993 *Teaching Assistant*, Archaeology 270: University of Washington Archaeological Field School, Mogollon Village, Glenwood, New Mexico
Teaching Assistant, Archaeology 481: Faunal Remains
Teaching Assistant, Archaeology 480: Analysis of Tools
Teaching Assistant, Archaeology 205: Introduction to Archaeology

Other Institutions

- 1992 *Teaching Assistant*, Anthropology 270: University of Hawaii Archaeological Field School, Mission Houses Museum, Honolulu, Hawaii
Teaching Assistant, Archaeology 265: Hamilton College Archaeological Field School Grass Valley, Nevada

Other Teaching-Related Experience

- 2000 *Facilitator* in workshop, "Preparing Future Archaeology Faculty: the TA-to-Instructor Transition", Society for American Archaeology Meetings, Philadelphia, PA.
1999 *Nominee* for the Distinguished Teaching Award, University of Washington
Participant in Graduate School 620 course: Teaching Mentorship Seminar
1998-99 *Huckabay Fellow*, developed a comprehensive teaching assistant training program for Anthropology, University of Washington
1998 *Panelist* on Panel of Experienced TAs, Campus-Wide New TA Orientation, The Graduate School, University of Washington
Facilitator on Panel of Experienced TAs, Department of Anthropology, TA Orientation, University of Washington
Participant in Graduate School 630 course: Becoming Effective College/University Teachers
1993-94 *Research Assistant*, developed the archaeology component of teaching modules for introductory anthropology courses

Faunal Analysis

- 1997 Analysis of faunal remains from Otago, New Zealand.

- 1995-96 Identification of mammal remains from Homestead Cave, Utah for D.K Grayson
 1992 Identification of fish remains from Tutuila, American Samoa for J. Clark (U N Dakota)
 Identification of shell remains from Guam, Northern Marianas for IARII
 Analysis of fish remains from Uvea for C. Sand (ORSTOM. New Caledonia)
 Analysis of fish remains from Bougainville for S. Wickler (U Hawaii)
 1991 Analysis of fish remains from Kamiloloa, Molokai, Hawaii for IARII
 Identification of fish remains from Ft. DeRussy, Oahu, Hawaii for IARII
 1990 Analysis of fish remains from Aitutaki, Cook Islands for M. Allen (U. Washington)
 Analysis of faunal remains from Ofu Island, American Samoa for P. Kirch (UC Berkeley) & T. Hunt (U Hawaii)
 1988 Analysis of faunal remains from Ofu Island, American Samoa for P. Kirch (UW) & T. Hunt (UW)

Archaeological Field Experience

- 1999 Hamilton College Archaeological Field School, Grass Valley, NV, C. Beck and G. Jones (Hamilton)
 1995 Southeast Missouri Archaeological Project, Kennett, Missouri, R. C. Dunnell (UW)
 1993 University of Washington Archaeological Field School
 1992 University of Hawaii, Manoa Archaeological Field School
 1991 Kalaupapa Airport Expansion Project, Kalaupapa, Molokai, Hawaii
 International Archaeological Research Institute, Inc. (IARII)
 1989 Aitutaki Archaeological Project, Aitutaki, Cook Islands, M.S. Allen (UW)
 To'aga Archaeological Project, Ofu Island, American Samoa, P.V. Kirch (UC Berkeley) & T.L. Hunt (U Hawaii)
 1988 Pupuole Mini Park, Waipahu, Oahu, Hawaii; IARII
 1987 Manele Bay Development, Lanai, Hawaii; IARII
 Pohakuloa Army Training Ground, Pohakuloa, Hawaii Island, Hawaii; IARII
 1986 West Beach Development, Oahu, Hawaii, Paul H. Rosendahl, Inc. (PHRI)
 Kealakekua Ranch Project, Hawaii Island, Hawaii ; PHRI

Research Assistantships

- 1998 Researching the history of African American nurses in Seattle
 1991-92 Creating an osteological fish reference collection for Hawaii and Fiji (U Hawaii, Manoa)
 1990 Editing the Fort Simcoe (Yakima, Washington) Archaeological Project report
 1988 Statistical analysis of Mussau Lapita ceramics; manufacture of Lapita artifact casts

Academic Service

- 1998-99 *Student representative*, Arts and Sciences College Council, University of Washington
 1995 *Student representative*, Archaeology Faculty Search Committee, Department of Anthropology, University of Washington
 1989 *Student representative*, Departmental Review, Department of Anthropology, University of Washington

Public Outreach

- 2000 *Workshop Organizer*, "Archaeology: Puzzles of the Past", Expanding Your Horizons: Careers in Science for Girls Conference, TWU, Denton, Texas.
 1999 *Volunteer*, Artifact Identification Day, Burke Museum, Seattle, Washington
 1998 *Advising Scientist*, Dragonfly Project, National Science Teachers Association
Volunteer, Career Day Mentor, Redmond High School, Washington
Volunteer, Artifact Identification Day, Burke Museum, Seattle, Washington

-
- Co-Organizer*, Archaeology Day, Assumption St. Brigette School 2nd Grade, Seattle, Washington
- 1996 *Volunteer*, Burton Acres Shell Midden, Vashon Island Public Archaeology Project, Burke Museum, Seattle, Washington
- Volunteer*, Artifact Identification Day, Burke Museum, Seattle, Washington
